This worksheet is to detail the 2008 County Tax by major function of expenditure for varying ranges of residential assessed values.

Costs by Major Function have been split into two sections. This is to illustrate to property tax payers, that 55% of property taxes are used to subsidize provincial programs in Grey County. These costs have been listed and sub-totaled in Section 2.

The 2007 and 2006 County Tax by Current Value Assessment are included at the bottom of this worksheet for comparison purposes.
